World's Largest Pearl

AUTORE are proud to showcase what is believed to be the largest pink South Sea Pearl in the world of fine quality.

The 22.24mm round pearl was harvested in the rich and sheltered waters of the King Sound, north of Broome, Western Australia at Cygnet Bay Pearl Farm by the Brown family, who have operated the oldest entirely Australian pearl farm since 1946, and who work in collaboration with AUTORE.

Rosario Autore, founder and CEO of AUTORE says, "The pearl's estimated worth is priceless, as it is the only one of its size and quality in the world to our knowledge".

Today, this bespoke pearl remains not-for-sale, and part of the pearl farmer's private collection.
